Missouri Gas Energy, a Division of Southern Union Company, et al.; Notice of Order To Show Cause

May 22, 1996.

Take notice that on May 16, 1996, the Commission issued an order under section 5 of the Natural Gas Act for Panhandle Eastern Pipe Line Company (Panhandle) to show cause why, in light of its earlier agreement to interconnect with Stahl Specialty Company (Stahl) to provide interruptible service, it should not be required to provide an interconnect for Missouri Gas Energy (Missouri Gas) as well. In doing so, the Commission required that Panhandle explain, in particular, why it does not view Missouri Gas as "similarly situated" to Stahl. Additionally, the Commission required that Panhandle explain why other previously constructed interconnects for interruptible customers qualified for

construction under its expressed policy while Missouri Gas does not, or explain why it changed its policy since it constructed, or decided to construct, those interconnects. The Commission required that Panhandle's response contain information concerning: (1) Other requests to construct facilities for interruptible service that Panhandle denied, including any requests for an interconnect for interruptible service that the customer subsequently converted to a request for firm service when the initial request was denied; and (2) specific operational and system integrity information concerning each requested interconnect which Panhandle considered when it denied the requests.

Any person desiring to be heard or to make a protest with reference the order to show cause should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests must be filed within 20 days of the date of publication of this notice in the Federal Register. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party to the proceeding must file a motion to intervene.¹ Copies of the order to show cause are available on the Commission Issuance Posting System.
